The Perfect Solutions for Home, or Small to Large Business *Procure Computer Accessories Online at the Right Price in any Quantities*

Meridian, Idaho– January 1, 2006 – The Other Solutions is proud to announce that it will be distributing unique and useful quality computer accessories offered by Offspring Technology. Offspring is a leading manufacturer for a line of high-quality computer accessories which include cables, cases, devices and several other related offerings.

Offspring started as a computer cable manufacturer, manufacturing cables such as USB, FireWire, and CAT5e Network Patch Cords. From there, Offspring expanded into physical computer security, surge protection, and OEM contact manufacturing. In 2005 Offspring expanded their product lines to include notebook cases & backpacks, multimedia speakers, web cams, mice, and luminescent keyboards.

"The decision was simple to make when afforded the opportunity to distribute Offspring high quality computer accessories we jumped at the chance! We are in an expansion phase and the distribution of Offspring products was a strategic move for our newly opened online store. In our online store customers and partners can easily select what they need without being over charged" states Henrik Vestermark, President of The Other Solutions

Offspring is known in the industry for excellent customer service, great prices, quality products, and easy to work with and has a reputable presence in the computer accessory markets.
