Energy Star Wide Format Scanners Improve Bottom Line *The Other Solutions unveils two new environmentally friendly scanners!*

Meridian, Idaho– May 19, 2006 – *The Other Solutions* is proud to announce that it will be distributing two new GTCO Calcomp Wide Format Scanners, the ScanPlus V 742HS and ScanPlus V 942HS. The scanners replace the high performance 742XI and 942XI series. They share the similar specifications; however, add the latest innovation in wide format scanning technology with new energy saving features that increase your bottom line even when the scanners are not being used! The new scanners use 60% less energy and can save a user up to \$200 annually, depending on local energy pricing. At the same time, conserving energy that benefits your local community that you work and you live in!

GTCO Calcomp's line of Wide Format Scanners is based on the latest scanning technologies, yet they are affordable to meet every customer's needs.

The new ScanPlus V 742HS start from \$14,900 and the ScanPlus V 942HS from 20,900 and may easily be justified with scanning requirements of around 400 drawings. When combined with a wide format printer, you will only need to make approximately 180 copies for a *Return on your Investment!* Both the ScanPlus 742HS and 942HS tops around 10"/sec Black & White speed and 0.6"/sec respectively 3.0"/sec 24-bit color speed. The scanners have an optical scanning resolution of 508 dpi delivering unsurpassed quality. This is extremely fast, demonstrating that a typical E-size drawing (36"x48") can be scanned in under 5 seconds! With the combination of WIDEimage^{NET} scan2file software and/or JETimage^{NET} scan2print software, you will have all your needs met for archiving and copying.

"The two new scanners ScanPlus V 742HS and ScanPlus V 942HS retain their technological advantages of the previous models, yet add new innovations with their "energy star" compliance, using 60% less energy and therefore reducing an end user's "Total Cost of Ownership." This is a welcomed benefit for our customer that translates directly to an improvement to their bottom line. The new scanners come standard with a 2 year on-site warranty within the US. Furthermore, we are introducing the new scanner models with a promotional price until mid June that further save our customer around 29% of MSRP for the ScanPlus V 742HS Plus and 38% of MSRP on the ScanPlus V 942HS Plus. The GTCO Calcomp wide format scanners and accessories are available through our website" states Henrik Vestermark, President of The Other Solutions.

About The Other Solutions:

The Other Solutions is a newly established internet distribution company. The Other Solutions specializes in finding and deploying new, unique and often difficult to find business solutions for customers throughout North America. Our corporate philosophy of "Thinking outside the box" differentiates us from other internet distribution channels since our goal is to provide affordable, high quality products and services to our customers through a "user friendly" online store. Our mission is to deliver the best products—fast, securely and affordably. The Other Solutions distributes products from all over the world through it's headquarter in Meridian, Idaho.
